

Happy Smile Package

Keep them smiling! You brush
your teeth, let us brush theirs.

Green Pastures
24/7 VETERINARY CENTRE

We believe your pets are special and deserve to live the healthiest, happiest lives possible. One of the main ways of achieving this is by keeping their mouths clean and healthy.

Thanks to advances in things like diets and vaccinations our pet's lifespans have nearly doubled in the past 20 years but without proper dental care their mouths simply won't keep up.

Ensure your dog reaches their senior years happy, healthy and fresh with our **Happy Smile Package**. The package includes:

Anaesthesia

- **Pre-op blood screen** – thorough organ assessment pre-op for the safest anaesthetic possible including new SDMA blood test to aid early detection of kidney disease
- **Drip to support** your pet's circulation and blood pressure
- **Gold standard anaesthesia** with the safest agents possible
- **Gold standard monitoring** throughout of blood pressure, oxygen sats, CO2 levels, temperature, vital signs, anaesthetic depth
- **A dedicated nurse** throughout the recovery period

Dental Care

- **Full mouth dental x-rays as required** – pets suffer many painful cavities out of sight below the gum line
- **Dental charting**
- **Ultrasonic scaling & polishing** to restore fresh breath

Follow-up

- **Post-procedure check up** at 2 days post procedure
- **Dental Care discussion** – you will be given a tooth brushing kit and demonstration
- **3 month follow up** appointment
- **We will ensure you have all the tools and information you need to maintain your pet's perfect smile**

If your pet needs any diseased or painful teeth removing we will call you first to discuss this.

If your pet requires extensive dental work it may be beneficial to do this in 2 stages to avoid prolonged anaesthesia.

PRICE MATCH PROMISE

- If you are able to find this package for less we promise to **match their price**
