

GREEN PASTURES BUNNY HEALTH CHECK OFFER

As the weather gets milder your bunny is more prone to a condition called Flystrike. Flies lay eggs on your Rabbit's fur, which then hatch into maggots that eat away at flesh.

This condition can be life threatening. To prevent this happening each year we run our Bunny Health Check Offer...

For just **£49** your rabbit will receive...

- Veterinary Health Check
- Dental examination
- Nail clipping
- Bottom clip/clean and Rearguard application – crucial for preventing deadly flystrike. **Please note there is an additional charge for dirty bottoms.**
- Diet and exercise advice
- A goodie bag packed with helpful information and a free toy!

Get all of this AND your rabbits full vaccinations included at a discounted price when you join our 'Bouncing Bunny' Pet health scheme!

Please ask a member of staff for any further information and how to get your rabbit booked in for this great offer!
